

DIET DRYSUMP PARTS FOR YOUR MINI

Quarter Racecar is introducing a lightweight flywheel and clutch assembly for the MINI Cooper and Cooper S. With a total weight of 12.9 pounds, this clutch assembly weighs 52 percent less than stock. There are no modifications required for installation. For more info, log on to www.racinghatch.com or call (888) CLUTCH-1.

CT-3 CALICO

Introducing Race Series CT-3 bearings from Calico Coatings. Machined to specification and ready to install, Calico has one of the largest stock and widest coverage of CT-3 coated, high-performance engine bearing available anywhere. Applications include Acura, Honda, Mitsubishi, Toyota and Lotus. For more info, visit www.calicobearings.com or call (993)38-0873.

READY FOR MACH 10?

The gaps at Tenco are at it again. The Mach-10 is a new touring-style tri-spoke design featuring spokes extended to the outer lip to give an even bigger appearance. It's available in hyper black, silver and gun metal. The limited-edition matte-black finish has a red pinstripe for an even sportier look. For more details, log on to www.tencoracinggear.com.

RACE DAY LUGGAGE WITH AN IMPACT

Impact Race Gear bags are designed from top to bottom for racers and their gear. Features include dual webbed handles with strap keeper, A reinforced base made to take abuse, loading and carrying. There are two side compartments with 3/4 way zippers for easy access. For more info, visit www.impactracing.com or call (877) 952-1387.

SEAT BELT PERFORMS LIKE HARNESS

The new CG-Lock is a seat belt add-on to help deliver new levels of driver control and passenger comfort. The CG-Lock is engineered to lock your existing lap belt into position, keeping your body's center of gravity right where it belongs. Installation is simple, with no bolts or drilling required. For more info, visit www.CG-Lock.com.

FOR THE HANDS-ON ENTHUSIAST

Introducing JEBS' pre-locked racing gloves. This all-new design with genuine Calico has non-padded palms, thumb and finger tips for heat abrasion resistance. Additional features include Thermal-weld Velcro wrist closure and anatomic synthetic finger gussets that provide a snug fit. Available in sizes S-XL. For more details, call JEBS at (800) 365-4545.
